My Name

Be Prepared!

Yuba-Sutter Domestic Animal Disaster Assistance (YSDADA) prepared this coloring book to help you understand what you will need to keep your pet or domestic animal safe during an emergency.

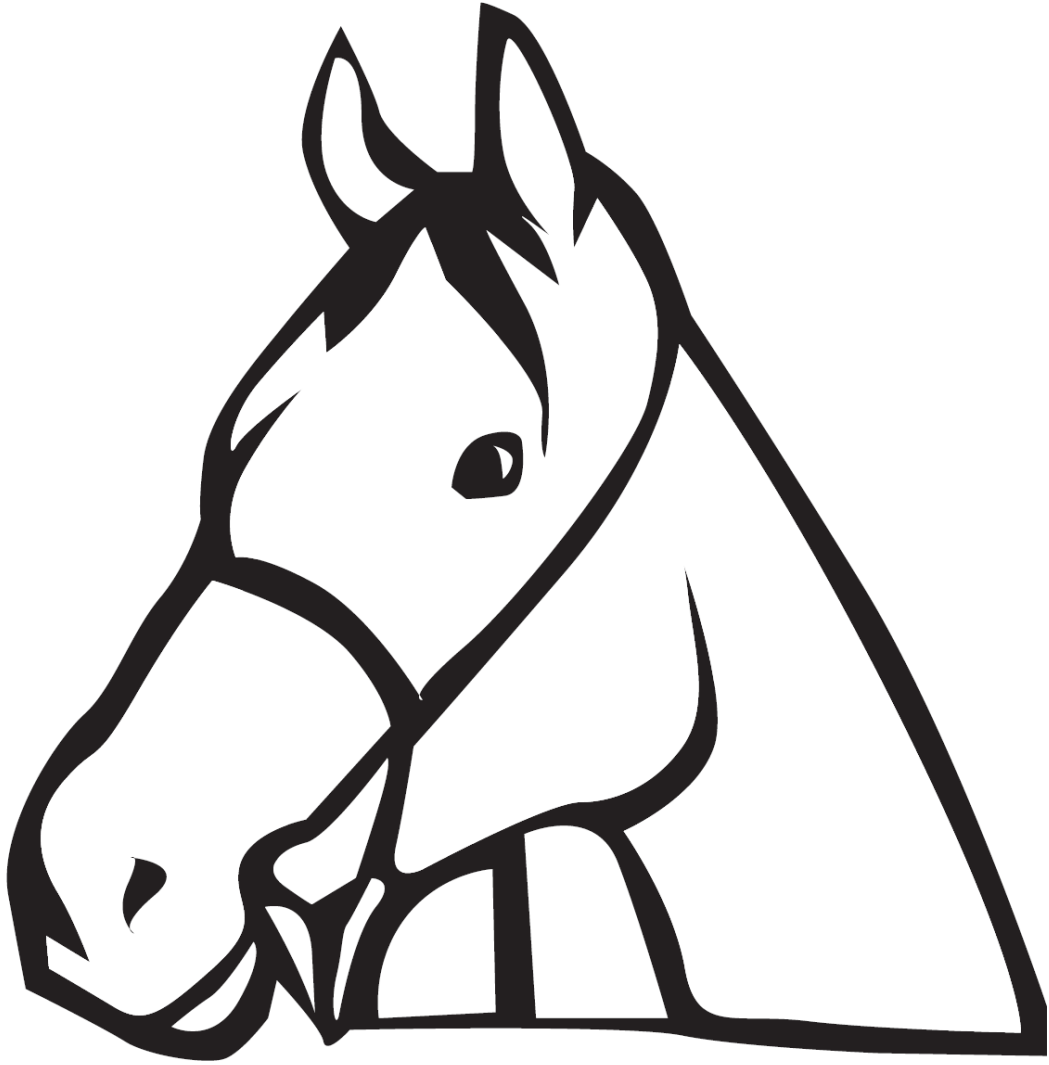

You can have a parent, teacher or adult leader help you with your answers. At the end of the book is an answer box so you can check your answers.

You can get more information by visiting

www.fema.gov/kids

www.ready.gov/kids

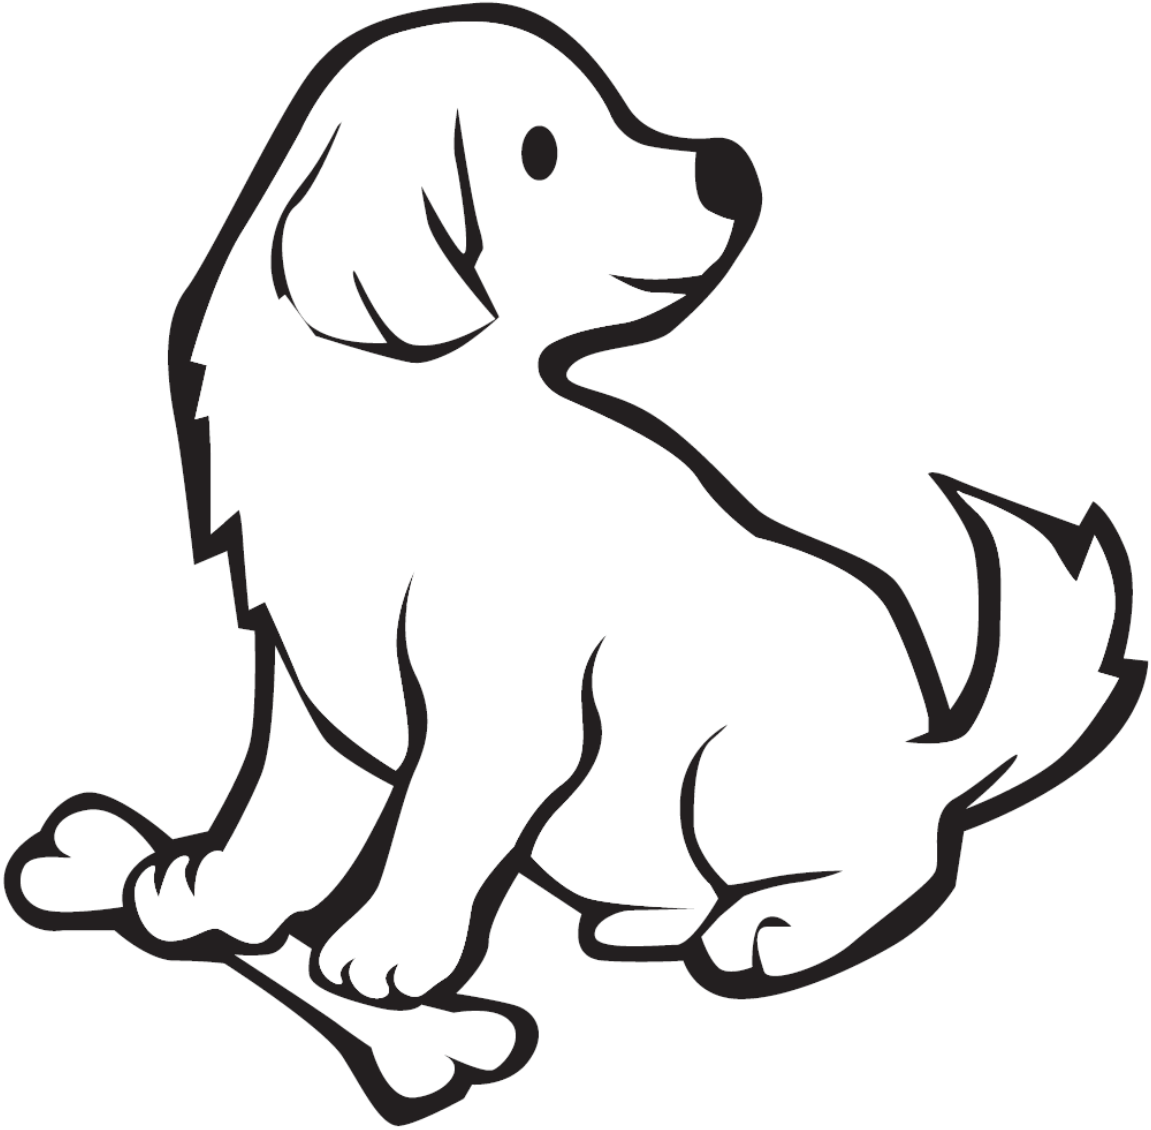

Your school or group can have YSDADA visit and show you how to get prepared and what to do if emergency strikes. Have an adult call 674-1190 or email volunteer@ysdada.org

What is this animal? _____

What name would you give this animal? _____

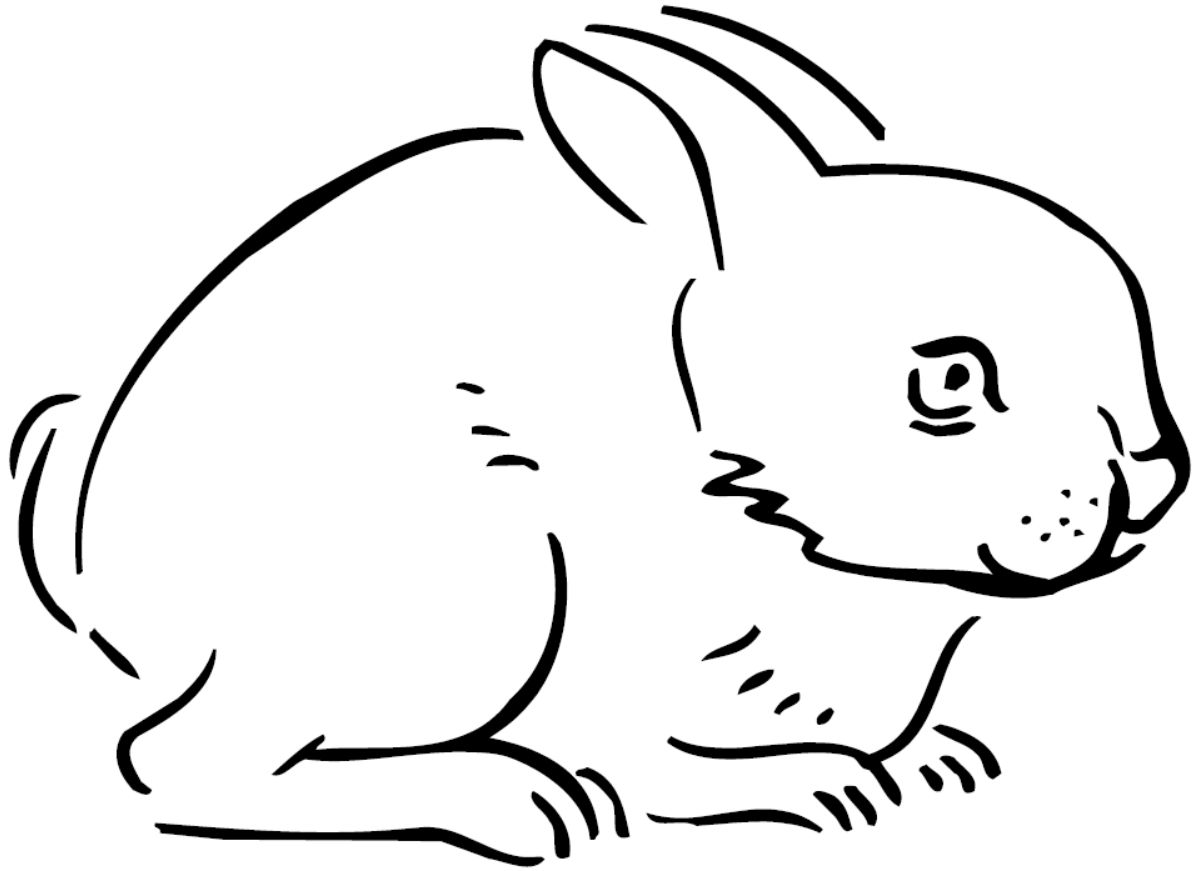

List the items you would need to rescue this animal away from danger:

Whenever there is a fire, flood or other disaster, take your animals with you, if you can.

Better yet, prepare a pet disaster kit with the following items:

- Carriers, leashes, or some way to control the animal
- Food and water for 3 days
- Medication
- Pet toys
- Pictures of your pets
- Vaccination records

Pack this in advance and put into a backpack, suitcase or shopping bag. Make sure that everyone in the family knows where this emergency kit is.

Bring your pets to a friend or family member's home or other safe place. If you must go to a shelter, wait for assistance to arrive to help with your pets.

In a disaster, the county government may provide assistance for safe shelter for your pets, or they may call Yuba-Sutter Domestic Animal Disaster Assistance (YSDADA) to help you.

YSDADA may set up an animal shelter near the American Red Cross shelter.

If you can't take your animals with you, fill out the back page of this coloring book and tape it to your front door or window so emergency workers will know that your pet is still at home.

Suggested answers for coloring book questions

Horse, cow: Horse trailer, rope, halter, water bucket, feed, medication

Dog: Leash and/or carrier, picture, vaccination records, food & water bowls, bottled water, canned food, fork or spoon, small plastic bags (to pick up after your dog), toy

Rabbit: Carrier, food & water bowls, bottled water, food pellets, bedding

Iguana: Carrier, food & water bowls, bottled water, food, bedding

Cat: Carrier, food & water bowls, bottled water, canned food, fork or spoon, small litter tray, litter, small plastic bags (to remove litter), picture, vaccination records

Fish: Fish bowl, food, bottled water

Bird: Small cage, food & water bowls, bottled water, food, newspaper, small trash bags, cage cover
